BIOTECHNOLOGY SKILL ENHANCEMENT PROGRAM

APPLICATIONS INVITED FOR JOB-ORIENTED SHORT-TERM ONLINE CERTIFICATE COURSES IN BIOTECHNOLOGY

Biotechnology Skill Enhancement Programme (BiSEP) aims to educate and empower human resource to bridge the gap between biotech industry and academia. A unique initiative in India covers **9 Biotech Domains** in **18 reputed PG institutions** across **8 Districts** of Karnataka.

Due to prevailing COVID-19 pandemic situation, we are not able to start the next batch of regular one-year Post-graduate Diploma under BiSEP. As an effective alternative, short-term industry-oriented training based on the syllabus of BiSEP in specific biotechnology sub-domain focusing on job-readiness is offered by the 18 BiSEP Host Institutes.

Applications are invited for job-oriented online Certificate Courses in the areas of Bioinformatics & Big Data Analytics, Biopharmaceutical Technology, Cellular & Molecular Diagnostics, Clinical Research & Data Management, Fermentation & Bioprocessing, Multi-OMICs Technology, Nutraceuticals & Food Processing, Plant Genetic Engineering and Protein Expression & Scale-up.

**Three [3] Months Online Certificate Course
Offline Practical Sessions or Industry Training
for select students based on performance**

**Tuition Fees Rs.5000/-
(Students completing the course or put-up
min. 75% attendance will get Rs.2000/-
refunded)**
